OPPORTUNITY: Think of Santa Ynez Valley south! Develop new wine-grape vineyards in the Leona Valley AVA; new olive, cherry and almond orchards; build 7 beautiful homes and carriage units overlooking the vineyards with stunning mountain backdrops. An entrepreneur could add a bed & breakfast and riding stables.

LOCATION: Leona Valley (zip code 93551) is a unique intimate valley that reminds us of the rich-wine-country feel of Santa Barbara County, but it is less than 50 miles from Downtown LA. The Property is located at the southwest corner of Elizabeth Lake Road and Bouquet Canyon Road.

DIRECTIONS: From the San Fernando Valley, take Hwy 14 north and exit Palmdale Blvd. Drive west on Palmdale Blvd, which turns into Elizabeth Lake Road, about 7.5 miles to the Property. Along the way you will pass attractive cherry, peach and almond orchards. The award winning Leona Valley Winery is nearby (Reserve Chardonnay, Cabernet Sauvignon, & Meritage). Bouquet Canyon Road to and from Santa Clarita is also very attractive and has been used in numerous movies over the years.

APN / SIZE: The Property consists of seven assessor parcels, APN 3205-004-19 thru 25, and encompasses ~150 acres.

TOPO: From level to rolling, the subject's topography is suitable for seven new homes, new-wine vineyards, orchards, or other agricultural uses. Horse trails abound in the area too. [Property video](#)

LEONA VALLEY: The Leona Valley is a low, sloping land form running east to west, with elevations ranging from ~2900' to 3,800' elevation, surrounded by higher ridges including Portal, Ritter, & Sierra Peloma Ridges and the nearby Angeles National Forest. A distinguishing feature of Leona Valley is the San Andreas Fault zone running parallel to Elizabeth Lake Road. The valley's east-west orientation allows afternoon and evening cooling-breezes that are ideal for producing outstanding premium wine-grapes.
